

2014 BMT Tandem Meetings

Joint Annual Meetings of the American Society for Blood and Marrow Transplantation and the Center for International Blood and Marrow Transplant Research

February 24 - March 2 • Gaylord Texan • Grapevine, Texas

Explanation of Audio Products:

Individual MP3 files require a computer or MP3 player. Individual MP4 Video files are synchronized to the handouts displayed on the screen and are playable on computers, IPADS, smart phones and all other MP4 compatible devices.

Registered Attendees have access to all recordings for free using their Last Name and Badge Number. Individual Presentations are available for purchase to non-attendees for a price of \$25. This will include both mp4 and mp3 when present.

Below is listed an index of the individual presentations that have recording files available. The list is organized by Track and within each track, by day. The session title, talk title, presenter and available
